

Lions International, State & District Addresses for Dues & Contributions

7/25/2016

Your Lions Club's individual dues/contributions are important to the Lions Association and the programs/projects it supports. To make sure that your dues/contributions get credited properly it is important to address the check correctly to the respective organization/programs/projects. Only one organization should be listed on the check, with the specific program or fund of interest listed on the check's memo line (for example, for a Melvin Jones contribution, the check should be addressed to "LCIF" and the memo line should read "Melvin Jones Fellowship").

The following is a list of the various Lions organizations/projects/programs International and State with their addresses.

Every year, numerous Lions head to countries south of our borders with used eyeglasses from our Eyeglass Recycling Center in Rosholt, donated fire trucks, ambulances and school busses gathered by Lions Clubs around the state, and medical and school supplies such as hospital beds and school desks. These items are given freely to Lions Clubs in foreign lands that distribute them to needy schools, orphanages and cities. While on a mission, thousands of used eyeglasses are given out to local residents who probably have never had a pair of glasses in their life.
