

# LEO CLUB CELEBRATES 1<sup>ST</sup> ANNIVERSARY

The Rhinelander Leo club on January 24<sup>th</sup>, 2009 celebrated their first anniversary with a dinner at the Taj Mahall. This community youth service club has 25 members from the High School, Middle School, Charter school and parochial schools. At the celebration dinner the guest speakers included the Lion's International Director Art Marson of LaCrosse and our District Governor Bob Schonberg of Ironwood, Michigan. Five new Leo's were inducted that evening and a club banner was presented to the Leo club President Ryan Lieck.

Some of the community projects the Leo's participated in over their first year included a successful bake sale at Trigs, a pre Christmas Craft show in November at the Sugar Camp town hall, Christmas caroling at the Taylor Park nursing home, assisting the Lions at their Oneida County Fair food booth in August, building and entering a float for the July 4<sup>th</sup> parade, and cleaning up a stretch of road for the WPS.

The club generally meets once per month at either the High School or Middle School to plan projects, activities or fund raisers and other community projects. Socials are held periodically as well.

The club is open to all male and female students ages 12 to 19 from the High School, Middle School, parochial schools, the Charter school or home schooled students.

If any student is interested in joining the Leo club, they can contact the Leo Advisor Harry Helwig at 715-369-2549 or the Leo President Ryan Lieck at 715-369-5954 for an application. There is no cost to join this Youth Community Service Club.
