Members of the Rhinelander Lions Club provided eye screening for 600 students of the Rhinelander Elementary Schools. Children found to need further screening were referred to the Rhinelander School System nurse.

The Rhinelander Lions Club has provided the screening for the last 15 years. Monies expended on this project were from the provided from donations to the semi-annual White Cane Day donors.

Photo below: Lions George Garrow on the (L) along with Lion Mel Hook(r) supervise eye screening students from Pelican School with Lion Tom O'Rourke and Lion Fred Bloom direct the eye test chart tests.
